SUBJECT.

Declaration of Re Prisoners of War Camps as a Protected area - Extension under rule 8 Defence of India Rules as applied to Mysore.

WD 0573—GPB—22,500—12-9-39

Declaration of Prisoners of War Camp as a Protected area

Serial No.

From

The Secretary to the Hon'ble the Resident

7.131-Ga.14 dated 12th February 1941.

re declaration of Prisoners of War Camp as Protected area

It is requested that a certain area round the Prisoners of War Camp at Jala Halli may be declared a "Protected Area" under rule 8 of the Defence of India Rules, as applied to Mysore. This is considered necessary for securing safe custody of prisoners as well as to safeguard them from public curiosity. The precise area will be decided next week. The Residency want to know if the Government are agreeable to do so.

By declaring an area as a Protected Area, entry of any person into the area is regulated. Persons who were not resident within the area at the beginning of a day specified in the order cannot be within that area except under a permit to be given by a specified authority. Any person who contravenes may be removed therefrom and also be liable to imprisonment. (Rule 8) Various other conditions can also be laid down by Government in regard to a Protected area. (Rule 9).

Declaring an area as a Protected area would therefore involve a continuous guard in order to ensure that the requirements of these rules are carried out.

In the circumstances explained in the enclosure to the Residency letter, the area round Jalahalli Camp may perhaps have to be declared a protected area. The question of meeting the cost of additional police necessary for this purpose, whether by us or by the Central Government is also for consideration.

Submitted for orders.

D.C.letter No.683 dated 22-2-41 from the Civil Officer, Bangalore to the Deputy Commissioner, Bangalore District.

I beg to state that yesterday, under instructions from the Chief Secretary to Government, I went to his chambers and met Major Atkinson of the Madras District Head Quarters and also the Secretary to the Hon'ble the British Resident. They wanted to have the tract forming the Camp of the War Prisoners to the north of the Bangalore-Tumkur Road to be declared as Protected area, under the Defence of India Act as applied to Mysore. Before the issue of the notification by Government, the British Officers wanted to have the Draft notification kxx&xxxxxxxxxxxxxx prepared by me, especially with regard to the several areas comprising the camp site and shown to them with a view to see whether it required any alterations in the light of the conditions obtaining at the spot, which were undergoing changes to suit the Military requirements.

I accordingly prepared the enclosed draft notification based on the materials already collected by me and sent it to the District Head Quarters yesterday alone and got it back last evening with their approval under a covering letter (copy enclosed) from Major Atkinson. I therefo re request you to kindly send, if you approve, the same to Government for necessary xxxxxx.orders.

Dear Mr. Krishnachar,

We agree to the Draft Notification which I return. There is no alternative to leaving the road open to public use at present. Major Murcott thinks it will be possible to fix up a deviation road later in which case we will ask for the Notification to be amended accordingly. Thank you so much for your assistance.
